Featured role

Construction Quantity Surveyor

Permanent salary (NZD/000)
90 - 120

About the role

Regarded as the accountants of the construction sector, Construction Quantity Surveyors are in high demand in Christchurch. Currently, there is an abundance of pricing work and contractual negotiation along with the traditional workload of handling and variations and producing final accounts. They play a significant role and can mean the difference between a contractor making money and losing money on a project.

Key skills/attributes

- Pricing, commercial accumen, contractual understanding, negotiation, communication, budget management, forecasting, risk management

This salary guide is a compilation of salary and market information provided by Hudson consultants, clients, candidates and other sources across New Zealand Information was gathered by drawing on the extensive knowledge of our specialist recruitment consultants across Hudson's specialist practice groups.
